

HURRICANE™ TURBINE VENTILATORS

LOCATION:

Queensland Brewries
(Carlton United Brewries), Yatala, QLD

BUSINESS:

Bottling Line / Warehousing

TASK:

To provide a ventilation solution for Warehouse 1 and 2 at CUB Yatala plant, as the bottling process creates an excessive amount of heat and moisture. Edmonds also asked to produce a ventilation scheme that that would comply with the sprinkler systems that are installed in both warehouses.

SOLUTION:

Edmonds supplied 30 X Hurricane™ H900 Ventilators on Warehouse 1 and 46 X Hurricane™ H900 Ventilators on Warehouse 2.

RESULT:

CONTRACTORS:

Cyclone Roofing, Gold Coast, Qld - Warehouse 1
D & P Bugler Plumbing, Ashgrove, Qld - Warehouse 2
